# Adaptive Leadership in a Global Economy

Perspectives for Application and Scholarship

Edited by **Mohammed Raei**, independent Consultant, and **Harriette Thurber Rasmussen**, Drexel University, USA

*Series: Routledge Studies in Leadership Research*

With the entire world experiencing the global pandemic and its aftermath, VUCA (Volatile, Uncertain, Complex, and Ambiguous) conditions have never been more extreme and the need for adaptive leadership never more urgent. But how is adaptive leadership applied outside Western cultures? How can it be taught through leadership development programs? Aiming to increase conceptual clarity about adaptive leadership to enhance future scholarship and application and illustrate novel approaches and perspectives, this book will be of interest to researchers, academics, practitioners, and students in the fields of leadership, strategy, and organizational studies.
